SUDHIR KATHURIA, M.D., brings a special expertise to Charter Radiology, with his focus on neuroradiology, collaborating with referring physicians to deliver the highest level of patient care.

An American board-certified radiologist with sub-specialty certification in neuroradiology, Dr. Kathuria received his medical degree and initial radiology training in India, followed by three years of fellowship training in diagnostic neuroradiology, interventional neuroradiology, and advanced neuroimaging at the University of Rochester, New York.

From 2008 to 2014 he served as Director of Spine Interventions and Director of Advanced 320 slice CT Imaging at The Johns Hopkins Hospital, and was awarded the "Johns Hopkins Service Excellence Reward and Recognition" for demonstrating exemplary service excellence, and inspiring others to do their best.

His level of expertise, commitment to patients, and advanced neuroradiology skills marries well with Charter Radiology's mission of delivering radiologic excellence and compassionate, personal care.
